

La Pedrera

— Casa Milà

**Exceptional experiences,
unique events
2026**

An exclusive proposal, an unforgettable experience

La Pedrera is an exceptional venue for unforgettable events, offering exclusive proposals tailored to each occasion.

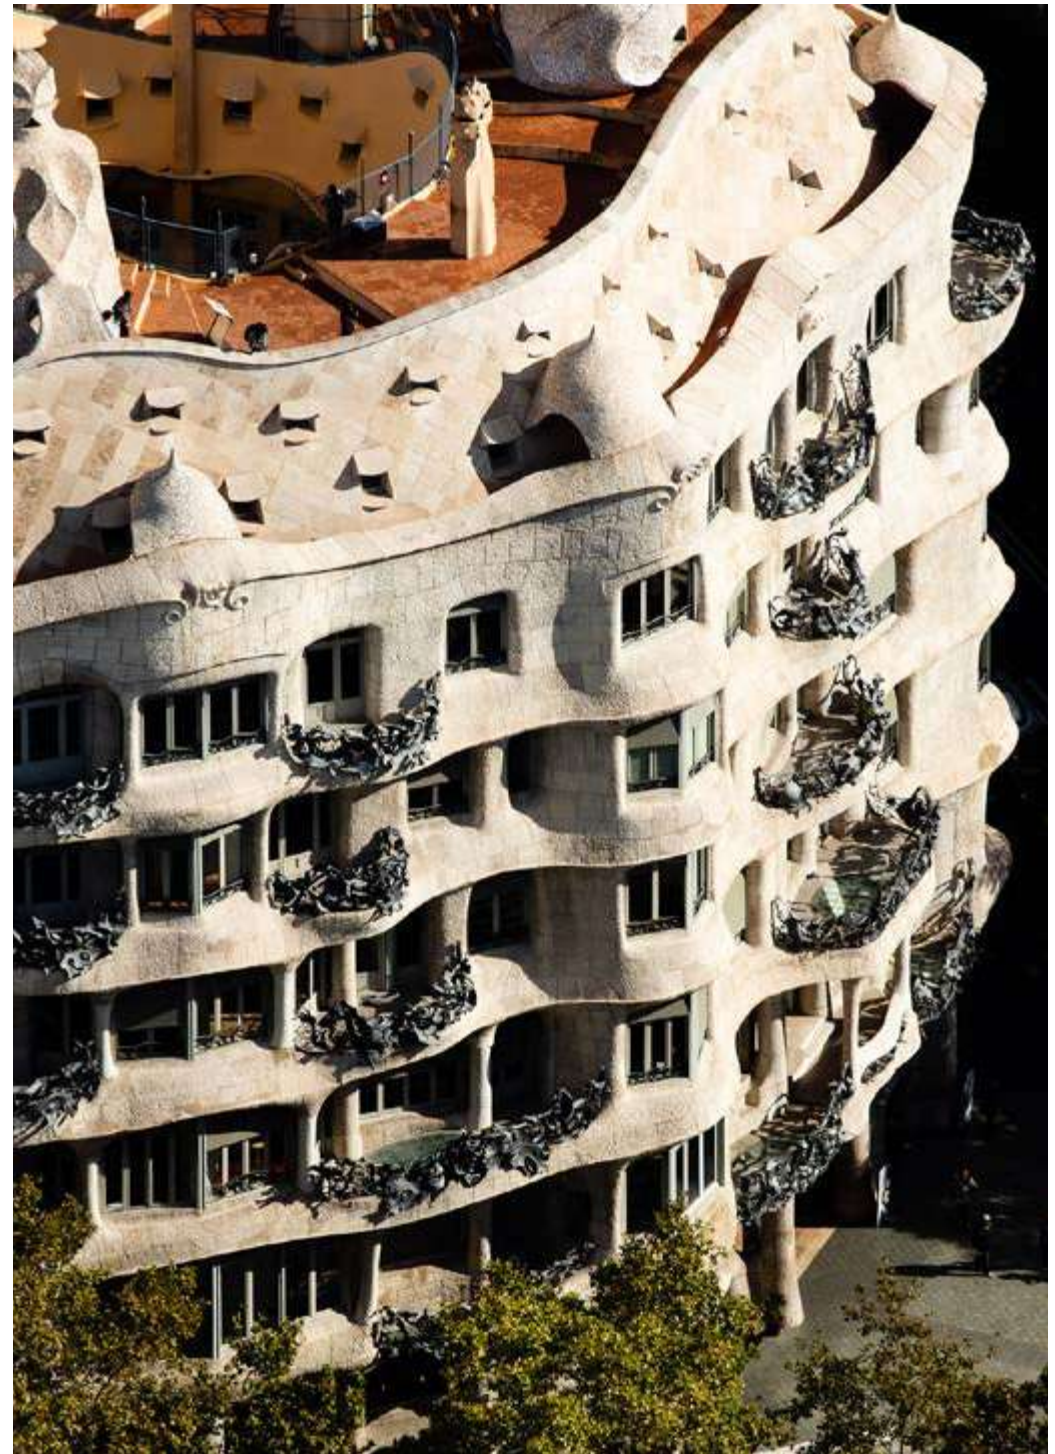

Antoni Gaudí's most emblematic civil building and one of his most innovative creations, an internationally recognised icon of Barcelona.

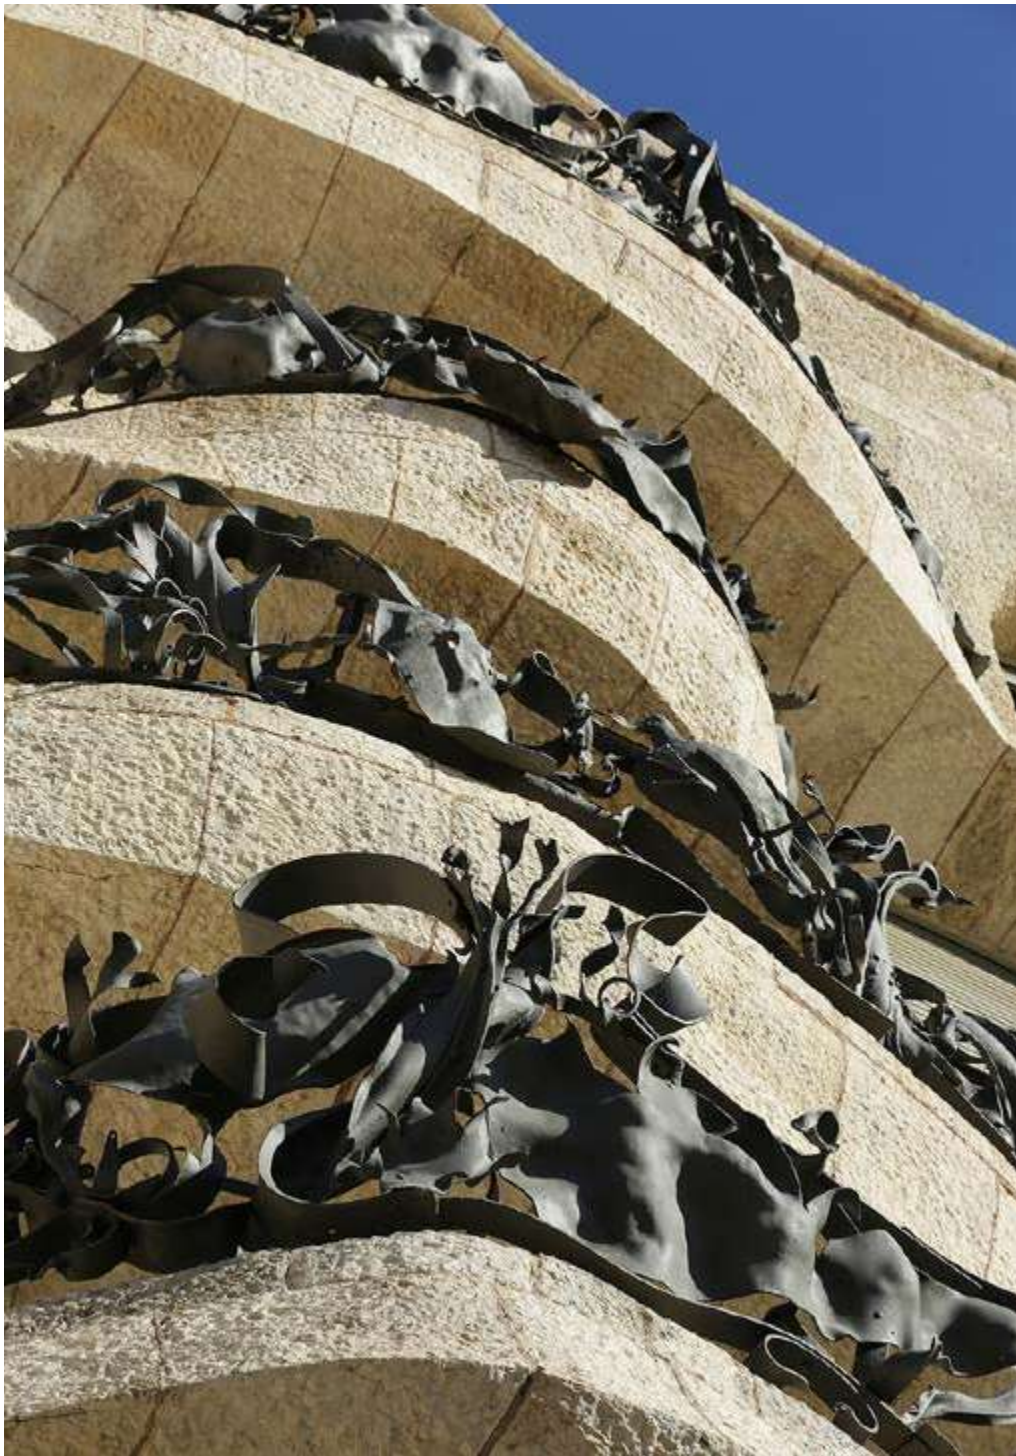

Today, it is an important cultural centre and the perfect setting for unforgettable events that inspire creativity and knowledge.

A place that makes everything memorable.

At La Pedrera you will find a one-of-a-kind space supported by a specialised team that adapts to your needs and is fully committed to each project.

Surprise your guests with a unique event that inspires, excites and leaves a lasting impression.

La Pedrera, the perfect space for your event

A unique, cutting-edge building designed by Gaudí and recognised as a UNESCO World Heritage Site.

Our professional team provides support from the moment you book the venue and manages every detail to ensure your event runs smoothly.

The venue features renovated modern, versatile spaces, supported by expert technical staff to cover all event requirements.

Guests also have the option to include a daytime or evening tour to complement their event.

Auditorium

Technology and character
in a unique setting

426

185/250

110

The perfect place for hosting conferences, symposia, courses, business conventions, presentations, institutional events and more.

It is equipped with all the technology required for any event and has space for 185 people, which can be expanded to 250 using the adjoining side rooms. An inspiring workspace.

One of the adjoining side rooms is ideal for cocktail parties, coffee breaks, or even as a chill-out space with its own unique charm.

It also opens directly onto a private outdoor courtyard, offering exclusive views of the rear façade of La Pedrera.

All in a unique setting where functionality and iconic architecture come together to create a memorable experience.

Located in the former coach houses at La Pedrera, this spacious, open-plan room is made possible by Gaudí's original metal structure.

Adjoining the auditorium and equipped with excellent facilities, this space is ideal for catering services such as coffee breaks, cocktail receptions or banquets.

A versatile, multi-purpose space that is perfect for hosting dynamic events, including presentations, meetings and professional gatherings.

The Catalunya La Pedrera Foundation Project

A private, independent foundation, led by a board of trustees composed of experts in their respective fields.

Provides support to older adults with mild to moderate cognitive impairment due to Alzheimer's disease and other dementias, helping them maintain their abilities and autonomy for as long as possible, as well as offering assistance to their families.

Carries out forest protection, conservation and management projects to make them more resilient to the challenges posed by climate change.

Promotes top-level research, encourages innovation in education, and provides opportunities for young people through programmes that foster talent and scientific and cultural vocations.

Supports people in vulnerable situations and those with disabilities to improve their quality of life, accompanying them on their professional journey to facilitate labor market integration.

Develops food programmes to assist people in various life circumstances, especially those with health issues.

Organises high-level exhibitions featuring world-renowned artists and promotes cultural programming in partnership with key local entities, fostering dialogue with other artistic disciplines.

Responsible for cultural heritage, including sites such as La Pedrera–Casa Milà and Món Sant Benet, and for natural heritage, which includes 27 owned sites, such as the Congost de Mont-rebei and the Muntanya d'Alinyà, 10 of which are forest estates covering more than 4,500 hectares.

Our purpose

We aim to actively contribute to a fairer, more sustainable society with greater opportunities for everyone.

This is achieved through projects that promote autonomy for older adults, provide opportunities for vulnerable groups, develop solutions to the challenges of climate change,

foster innovation in education and scientific research, support talent, encourage the use and understanding of nutrition to improve health and promote culture.

Catalunya La Pedrera Foundation is a tool for transforming society.
